

Important Notice to Teachers !!!

30th Annual Young at Art Juried Exhibit 2018

Call for Entries

The 30th Annual Young at Art 2018 is a juried student art exhibit showing March 3 to 30, 2018 at the East Hawaii Cultural Center/HMOCA in Hilo. The exhibit is sponsored by EHCC/Hawaii Museum of Contemporary Art and the Hawaii District DOE, and staffed by volunteers. Prizes are awarded to students whose work wins jurors' awards. The prizes are provided by generous donations from Hawaii individuals and businesses.

The purpose of Young at Art 2018 is to celebrate "National Youth Art Month" by recognizing excellence, creativity and originality in all public, charter, private and home-schooled students on the Big Island in grades K-12 by participation in this exhibit.

The Young at Art opening ceremonies include music, prizes and an opportunity for families to support their young artists as well as the arts in our community.

Invitations to the exhibit and opening ceremonies will be given to all teachers for students who enter work. Invitations are for all students in the show, and their friends and family, not only award winners. Teachers should send invitations home and inform parents of award winners so that they will be present to receive recognition and their prize(s).

Please plan an excursion to bring your students to see the exhibit. Call EHCC/HMOCA at 961-5711 or email admin@ehcc.org to schedule your visit.
